

# Occasional Table

## specifications

### Lotz Armor Edge™ Tops:

Lotz Armor Edge™ top is constructed of 1.125" thick MDF (medium density fiberboard) core. MDF is a superior material for screw holding abilities exceeding 250 lbs., breaking strength and load tests. The back material is phenolic which **prevents moisture penetration** to core material and provides an anti gum surface. High pressure laminate is bonded to the **MDF core**. The .25" beveled radius edge is finished using our exclusive Lotz Armor Edge™, a polyurea, which is extremely strong and durable. **This edge will not separate from the MDF core material and makes the edge water tight.** Lotz Armor Edge™ comes black standard. Colors available.

### 3mm Tops:

The core material is 1.125" thick particle board with a phenolic backer sheet and high pressure laminate on top. 3mm PVC edge banding is applied to all sides, radius corners.

Optional top surface choices include **whiteboard laminate** or **chemical resistant laminate** and most Wilsonart matte (-60) finish laminates with possible up charges. Other vendors available upon request.

**Shipping Class:** 70

**NMFC#:** 83620-2

### Occasional Base Pedestal:

**Construction:** Column, base and mgt. plates are bolted.

**Column:** 1½" centered, steel

Plastic glides for carpet and hard surfaces, no adjustment.

**Base Size/Shape:** Round 18" dia.

**Base Height:** 15"

**Table Height:** 16.25"

### Frame Color Options:

Textured Black (-09)\*      Smooth Silver (standard) (-G4)
