

Classic Construction:

Classic cabinets are constructed using fully doweled 0.75" particle board with double side thermal fused laminate (TFL) with matching 3mm PVC edge banding.

Unit is double sided with 3 cubbies and 3 browsers per side.

Brower shelves are fully doweled 0.75" particle board with double sided TFL.

Each unit has 75mm dual wheel casters. (hidden & non-locking)

Premium cabinets are constructed the same as the Classic **EXCEPT** the Premium cabinet components are **double sided high pressure laminate (HPL)** in place of the double sided TFL.

Assembly:

Each unit is factory assembled using glue and dowel construction.

Shipping Class: Density Based Class
