

## Assembly Instructions

Before you begin, please make sure all parts and proper quantities are included. (See Part Identifier Key on next page) Any parts damaged during shipment must be reported within 24 hours of receipt. To report information regarding damages or if you have any questions, please call 800.242.2303.

### Step 1:

- Place seat with inserts facing up on protected table.
- Place 4 or 5-legged frame on the top and align the **most outer holes** with the inserts of the seat.

### Step 1

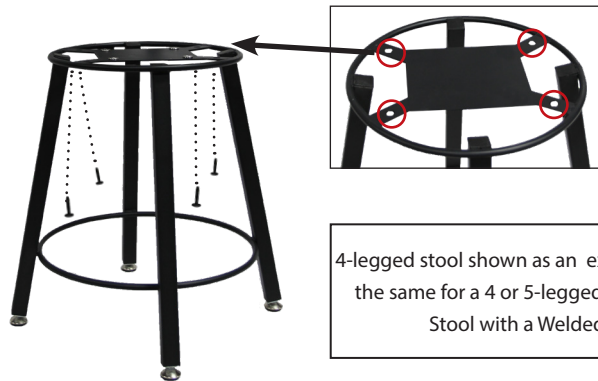

### Step 2:

- Insert & tighten corresponding screw for the seat you are mounting through the most OUTER mounting holes located on the bottom of the 4 or 5-legged frame. (See bottom of page for corresponding screw/bolt with type of seat.)

#### Tools Required

- 4mm Allen wrench OR
- 4mm Hex bit
- Drill extension
- Phillips head screwdriver OR
- Phillips drill bit
- Screw gun

### Step 2

4-legged stool shown as an example. Seat is attached the same for a 4 or 5-legged stool AND a 4-legged Stool with a Welded-On Backrest.

4-legged stool ONLY with a Welded-On Backrest.
