LearningEdge Purchasing Contract: FF&E - #ESD112-LE-18B

The LearningEdge Contract for Furniture, Fixtures, and Equipment for Education at Educational Service District 112 (ESD 112) provides a competitively bid contract that is available to “eligible purchasers” in Idaho, Oregon, and Washington. “Eligible purchasers” include K-12 public and private schools, colleges and universities, regional service agencies and state departments of education.

Membership is not required for purchasers to be able to participate in our contracts. State laws authorize “piggybacking” off of a bid that was competitively procured by another public agency in accordance with that agency’s bid laws. School districts may purchase off the LearningEdge contract without publishing their own bid. All interested organizations are advised to check their governing laws and to obtain their own legal counsel to determine eligibility for purchasing products through the LearningEdge contract. A school district that determines it is eligible to use the LearningEdge contract can request an Interlocal Agreement at www.esd112.org/learningedge/

The LearningEdge states include:

Idaho • Oregon • Washington

The purchasing menu on the LearningEdge website provides product and price information, instructions for interlocal agreements and piggybacking, instructions on how to purchase from the contract.

Should you have any questions regarding LearningEdge contracts, please contact Bunny Stevens, Purchasing Project Coordinator at Bunny.Stevens@esd112.org or call (360) 952-3415.
