

Assembly Instructions for Heavy Duty Casters on a TORO Table

Tools Required

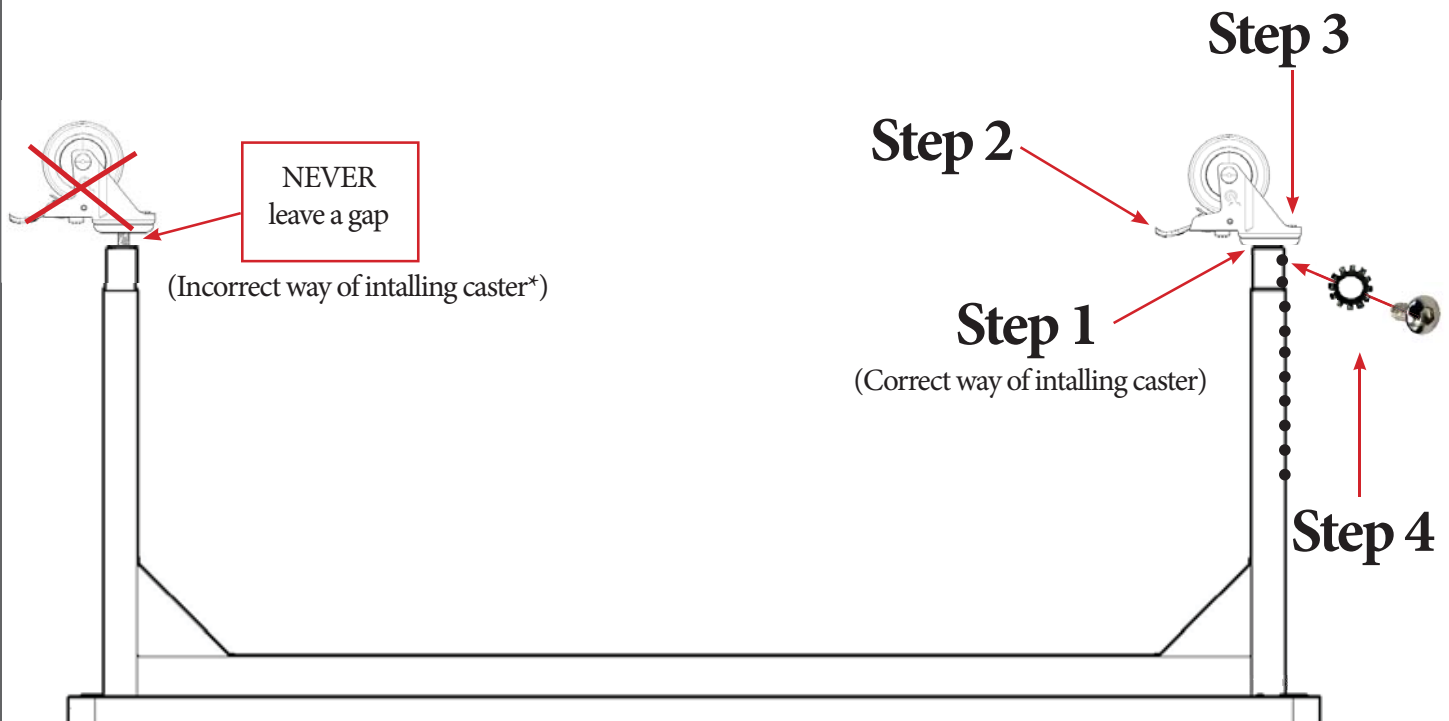

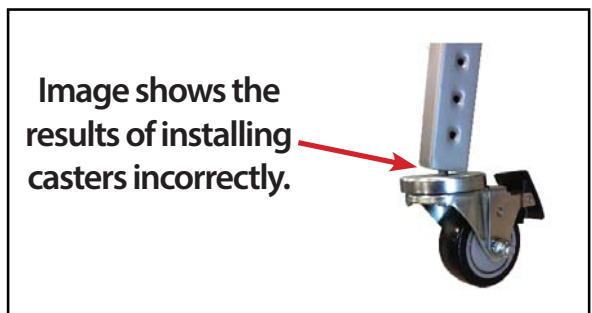

- 3/4" Wrench
- Thread Locking Adhesive (optional)

Parts List: (per table)

- (4) M6 Screws 
- (4) Star Washers 
- (4) Heavy Duty Locking Casters

Before you begin, please make sure all parts and proper quantities are included. Any parts damaged during shipment must be reported within 5 days of receipt. To report information regarding damages or if you have any questions, please call 800.242.2303.

- 1 Twist the stem of the caster into the hole on the bottom of the leg. Applying thread locking adhesive can help prevent unexpected loosening of the caster.
- 2 Lock the caster by pushing up on the brake lever.
- 3 Use 3/4" Wrench to tighten 3/4" nut on stem of caster.
- 4 If using adjustable legs, insert Star Washer and M6 Screw in hole closest to the caster. DO NOT OVER TIGHTEN.
- 5 Repeat for remaining casters.

***3" Heavy Duty Casters are NOT to be used as a leveling device.**
